## SELECTION PROCESS

The EMI SIG Steering Committee is seeking proposals that utilize a variety of presentation modes.

Together, they will review & select those proposals that demonstrate the greatest potential to contribute to the quality of the meeting & are most relevant (useful) across the DOE system.

Individuals submitting presentation proposals will be notified about the status of their proposals by **February 17, 2017**. Proposals may be selected for a presentation format other than the one requested.

## PRESENTATION PROPOSAL & Te<sub>x</sub> SUBMISSIONS

Use the attached forms to submit your presentation proposal and **Te<sub>x</sub>** exhibits.

## TECH ExCHANGE (Te<sub>x</sub>)

Formerly known as the *TRADEing Post*, **Te<sub>x</sub>** will provide a trade show setting where DOE offices and DOE prime contractors can feature training products and demonstrate other materials.
